**RFP TS-WAN-01-Y20 Wide Area Network - Addendum No.3**

Proposal due time and date: 11:00 am (CST) on January 10, 2017

**Addendum No. 2 – Issued January 04, 2017**

The following Addendum is made pursuant to the **RFP TS-WAN-01-Y20 WAN Infrastructure Upgrade**. This Addendum shall be fully incorporated into the RFP and have the same force and affect. If any portion of this Addendum conflicts with the RFP or Attachments thereto, the Addendum shall take precedence. Acknowledge receipt of this addendum by inserting its number in the space provided on the Solicitation Form. Responses that do not list addenda numbers that go to price will be rejected.

The following clarifications are made to the RFP in response to questions received from potential proposers:

1. **Question:** Is the 5% bid bond required with the RFP response

**Response:** Yes, the 5% bid bond is required with your RFP response. Please see *Section 14 PERFORMANCE AND PAYMENT BOND REQUIREMENTS* of the RFP for additional details. NOTE: The Payment and Performance Bonds are also required from only the awarded vendor before any services can begin or expenses incurred in conjunction with this project.

ADDENDUM PREPARED BY Aldine ISD

Sign and return this addendum to Aldine ISD within the RFP response as well as acknowledge the addendum in the space where indicated on the Attachment D. Failure to acknowledge receipt of this addendum will result in rejection of your response. Respondents may acknowledge receipt by one of the following methods:
